We Do Dedicate . . .

In recognition of time, service, and self, we, the students of Graham High School, dedicate the WAG to Mrs. P. O. Burch and Mrs. Harold Lovette. We cannot begin to express our gratitude for their inestimable devotion and concern for the welfare and ambitions of the students who have rambled the hallowed halls of Graham.

It is for their untiring efforts and continuous interest that we dedicate this, our 1967 yearbook, to Mrs. P. O. Burch and Mrs. Harold Lovette.

Mrs. P. O. Burch

Mrs. Harold Lovette

In Memory

I am left behind
To sorrow and grieve;
She was a beloved friend,
And it was hard to see her leave.

Yet I know in my heart,
What her purpose is to be:
I must share her with God,
As God shared her with me.

I never saw her cry,
Or frown with scorn;
Her smile enhanced like sunshine
On a summer's morn.

Though the fingers of death,
Clutched her in their embrace,
For seventeen years,
She made our world a better place.

Elwanda Jones

Away

I cannot say, and I will not say
That he is dead. He is just away.

With a cheery smile, and a wave of
the hand,
He has wandered into an unknown land.

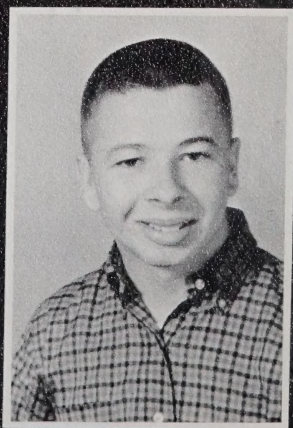

And left us dreaming how very fair
It needs must be since he lingers there.

And you, . . . O you, who the wildest
yearn
For the old-time step and the glad
return-

Think of him faring on, as dear
In the love of there as the love of here;

Think of him still as the same, I say
He is not dead - he is just away!

The National Honor Society attempts to express the ideals of character, leadership, service, and scholarship. Members are selected according to these ideals by a board of faculty members. A highlight of each school year is the induction of new members in an impressive ceremony given in assembly.

One responsibility of the National Honor Society is the White Christmas Program. Bringing happiness to families during the Christmas season is a rewarding experience never forgotten. There is always the Miss G. H. S. Pageant which is work and play for everyone.

With high ambitions and goals, the members of the National Honor Society keep the torch burning brightly.

Future Homemakers of America, the largest club at G.H.S. enjoyed one of its best years in service. Before the year even began, the girls were hard at work preparing breakfast for the J.V. and varsity football players. Throughout the year, the girls maintained a bulletin board pertaining to home economics. But the highlight of the year was the district F.H.A. convention, where our own members from G.H.S. led in many activities and nearly succeeded in claiming a state position.

ADVERTISING HAS MANY VALUES

The values of advertising in a school newspaper are many—for paper staff as well as for the advertising firm. Many times the advertiser in a school paper is slow to realize his profits—to appreciate

the biggest value of advertising of course, its result—business. In this particular case, it is one resource, the readers of the paper. But the readers are many and varied. They are not only the students, but the teachers, parents, alumni, and even competitors.

A business concern must let the people know that it exists, and for this is accomplished, it is the continuing responsibility of the advertiser to inform its customers of its merchandise.

The responsibility is fulfilled by advertising. After sales, merchandise, in various departments are made known, that the people patronize the business.

Much of this is done in school newspapers, because the advertising in a school paper is not ignored.

The students read a school paper, when, in many instances, they did not read a daily paper. Teachers read the school paper, to the students, to learn of school events.

Parents read the paper, and will read the ads, to learn of those who support the school projects of their children.

Appreciation of anything comes from knowing something about it. It is hoped, that through this editorial, the advertisers of THE

CRACKER will be made aware of the many values of advertising.

It is true that the price of the CRACKER is new this year, also, but with these improvements came a higher priced budget - therefore, we had to raise the price a nickel more a copy. We felt that the students of Graham would support their school paper, but we were evidently wrong.

Campbell's Shoes

Have you seen the new shoes on Mrs. Campbell? They are wild! G. H. S. has received a good math teacher with a passion for shoes. She is Mrs. Brenda Campbell, a new resident of Graham. When she was asked how many shoes she owns her reply was "Oh, between twenty-five and forty." The student body must keep an eye open and see if she comes in with any more odd ones.

Mrs. Campbell is a North Carolina native. She attended school at Newton-Conover, and college at Lenoir-Rhyne. Her favorite hobbies are swimming and making things with her hands. Teaching mathematics is enjoyed by her, but sometimes she just cannot find a way to get things across to the students. The biggest pet peeve she has is the students' lack of interest in what they do. "The school spirit during footb she stated. stay that w

the basketball team come up with a 21-0 record. Sammy Holt wants some more firecrackers for English class, and Howard Pope hopes to get a can of "Pledge" for his football helmet.

Fuji Allen wants N. C. State to win all their basketball games, but Cherly Horne and Brenda Porter say that's impossible because they have to play Duke TRICKS ON You!! The last four names are sort of blurred but it seems to be a request for a white Mustang (think I'll ask Vicki Halsey about it, maybe she'll know?!).

Well, it's getting late and Santa must be getting sleepy. The other pages of requests will just have to wait until someone has the courage to open that book again!

Homecoming

October 7, 1966 is a day not soon to be forgotten - a special day full of longlasting memories. As plans were completed, the tireless efforts of the Student Council took form and from them evolved a day of happiness and excitement. Highlights of the day such as the parade, floats featuring class attendants, the football game with Guilford,

“In The Misty Moonlight”

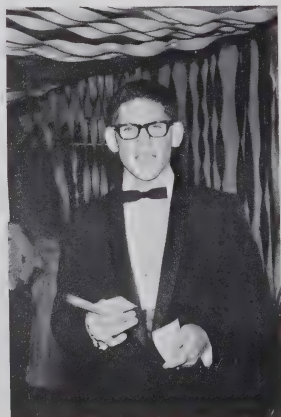

From King and Queen, David Wightman and Vivian Anderson

The hopes and dreams of the Junior Class were realized when they presented "In the Misty Moonlight." The Senior Class was entertained from 8:00 P. M. until midnight by the Juniors. A good meal was first served at the banquet and later the night was climaxed with music furnished by the Riverias.

At the close of this memorable night, everyone was invited to an all-night party at the Y.M. C.A. Recreational facilities were open, such as swimming, bowling, pool, and dancing. Activities were ended at 6:00 A.M. by a breakfast served by the parents.

Dear Vicki,

It's difficult for me to write in your annual as your teacher. I just don't want to be a friend. I can never tell you how much I appreciate the many things you have done for me. As you well know, I should never make it to school in the mornings without you to tug the "pig" off my back. I hope we had had our disagreements but it was usually nice because you are a little too sensitive. I can't take all the unsolicited advice I've given you in the many years. I guess I think of you as one of my children too often. (Don't get sick!)

As far as school is concerned - I hope it hasn't been too far from you to listen to me preach. Touch really is not that bad! I hope you will continue to work hard and attain every single goal you reach for in life. Let it take a strong will-power, and that you definitely have. I guess the best compliment I can pay you is one which you've heard me say before. I truly hope that my goals grow up to be just like you! Good luck as a senior and in Touch II - and much love

Mrs. Serrell

Vicki,

Dear Vicki,

I really can't begin to tell you how much ~~of~~^{my} friendship has meant to me. I really am going to look forward to summer.

All never forget our moments of fun, sadness, happiness, and when we pull drinks. I'm sure Gail Shitsell and other numerous people have been just the least bit worried over why we act the way we do! I will also remember the many trips to Ellen's and the Halloween we spent together. I will also remember when Brenda stopped and I got out and ~~WRETCH~~^{"B" WAS HERE}! This year has been filled with all kinds of fun and fuss but I would not trade it for all the money in the world. I hope Denise, Brenda, and I can continue to raise hell in Graham and the surrounding area!

Lots of love and luck

Joe

Wicki,

Reserved for D.A.

I sure don't know where to start this. We've had so many good times and delicious experiences together it's hard to mention them all. I must say that after this weekend at Ansonia, I'll nominate you for the best partner of the year award! I'll never forget the softball tournament last year when we had that staring contest with D.W. We found out that Shirley isn't very friendly. Remember when she told us "S.T.H."? If I had heard her it would have been a shocker was up (more). Remember when we went to a game with Lee and he got mad at me? That was the night we saw her (one again). I really wonder if we'll ever see her again. I wish you could have seen the girl John, Linda, and I saw in Tampa! You've never seen anybody that looked so much like me, pretty yet wasn't. You'll also get my vote for "Broomblower of the Year". We sure did a very that manager to death! I sure had fun playing Putt-putt (H.M.) with Jimmy at the beach. Remember the night we got there with the manager but to come see and tell us to be quiet! How about us trying to get to the motel with out your mother or father! Remember when your father was standing on the beach and we were acting like fools (drunk. I was there. Those boys really shook me up)! I'll never forget, "y'all" all our walks around the block (see miles or more usually). Maybe we can do it again this summer, but if we do we'll have to play Rapi Germany again (remember that trip to Sandy's in the snow). When we go riding from here on let's try not to get caught on deserted, dark roads (Parker Street)! Just think we haven't got but 2 more summers and one more school year until you go off to college. I really hope you get in Appalachian. Remember all those trips to Wallace Baby's? What in the world will we do this summer after they move? I bet we'll completely forget them until softball season rolls around again. I really am happy that Judy got on the Redwood's basketball team. I'm happier than I could ever express! Hey, I know what kind of award you can nominate me for. Lady of the Year (as demonstrated to my parents). I really do like CATS - especially yellow ones. Maybe we could work out a deal with

Paul and Liz and they are ^{remember} the time I was

Ball". Wonder if you'll ever forget Numbers 14, 23, 13, and 36. C.
know I won't. "How rest I see?" Remember this night we went
the night with John and we had to sleep on the floor! You
know you're really a very polite person (as you have proved by
opening our doors for me). Boy if the people in our neighborhood
were really watched as they would think we were a little off.
HM. I thought I would die the other night at the ball game
when John scared Ray to death! I got so tickled and we laughed
so loud that we caused a scene. Remember at the afterschool ^{celebration}

almost creamed me! I don't think I'll ever forget that! Just
think - I got my license in October, then you won't have
to taxi me around. I think you'd really make a good
mechanic! HM About that disagreement we had this year,
I really valued your friendship so greatly that I wanted to
do everything I could to protect it. I hope you believe me
because it is the honest truth. Stuff like that I don't lie
about. Just think next year I'll have to stand up for you.
I think I'll skip all the assemblies. I hope we can have as
much fun this summer and next year as we had last
summer and this year! Good luck next year as a senior
(lucky dawg) because I want you to accomplish whatever you
attempt. Don't break up when you read this! Control
yourself!

Love (HM) Always,

DGA (Denise Graham Andrews)

May 13, 1967

Dear Vicki,

This is your Mother Superior writing to you now, so sit up and take notice as you read this. I can't really say that I've ever been referred to as a "Mother" of any kind, but I'm glad you were the first. I can't think of anyone I had rather have call me their "Mother Superior." You are truly one of a kind - and that is meant as a genuine compliment. Your personality, which I see as honesty, integrity and true concern for others, will keep you go wherever you choose to go in the future - and you can go as far as you choose and do whatever you choose because you have got what it takes to succeed. (If you put your mind to it).

Your friendship to the "Lovely Grawler" and me has been and is one that we shall never forget. You are the topic of a great many of our discussions and you have definitely given us many moments of joy to remember. You have really become a member of our family - and we love you just as one of our own -

Well, since you've fallen asleep on the table top, guess I'd better stop and let you go home -

Be good and remember, we all care for you and love you - Come to see us soon -

Love -

Mother Superior
Ellen -
